*Reasons for Allowance*

The following is an examiner's statement of reasons for allowance of claims 1-5.

For independent claim 1 the prior art of record does not disclose or clearly suggest a rotary optical aligning apparatus having a pendulum disk, an optical illuminator mounted in a lower portion of the disk, a sleeve adapted to be secured on the shaft of a driving motor, an electromagnetic coil, said electromagnetic coil will be electromagnetically induced to produce electricity to power said illuminator in combination with the remaining limitations of the claim.

Claims 2-5 recite limitations which, in combination with allowed claim 1, render the dependent claims allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
